

# Osse Windhondenrenvereniging 't Haasje

INTERNATIONALE CHOCOLADECOURSING

11&12 april 2026 met CACIL en CACNL

---

Dear participant,

On Monday, February 23rd, we received a letter from our coursing location 't Zand with the following message:

*Please note that the grounds may not be closed to visitors and park guests, and that the passageways to the woods, beach, and recreation area must remain accessible to guests. Guests of our park must be able to walk to the water and/or the woods along the playing field at all times.*

*The placement of the competition course must be in accordance with the management's instructions.*

Under these conditions, we cannot and will not organize an international competition. The safety of the dogs is our top priority.

We have diligently searched for a suitable location for April 11th and 12th, and we have found one.

The coursing will take place at the location below.:

Camping Dommelvallei

Schafterdijk 9

5556 VK Borkel en Schaft (gemeente Valkenswaard)

There is ample space for caravans, electricity and water are available, and shower facilities are free. €27.50 per night.

On Saturday evenings, we organize an indoor BBQ in a pleasant spot on the grounds.

If you would like to join us for the BBQ, please let us know in advance.

The cost is €18.50 per person, excluding refreshments.

We regret the change of location, but we believe we have found a beautiful and enjoyable solution with the Dommelvallei.

If, despite everything, you still wish to redraw your dog, you can do so by sending an email to: [ankeschute@gmail.com](mailto:ankeschute@gmail.com).

Any payment already made will be refunded as soon as possible.

If you have any questions, please let us know.

We hope to see you all at Borkel & Schaft.

On behalf of OWRV 't Haasje,

Anke Schute
